A Choice Sale Offering

drawn from the herds of

Chas. V. Parker, Harrisburg, Illinois
Otis A. Carter & Son, Eldorado, Illinois
John M. Karns, East St. Louis, Illinois
Paul Halbersleben, Eldorado, Illinois

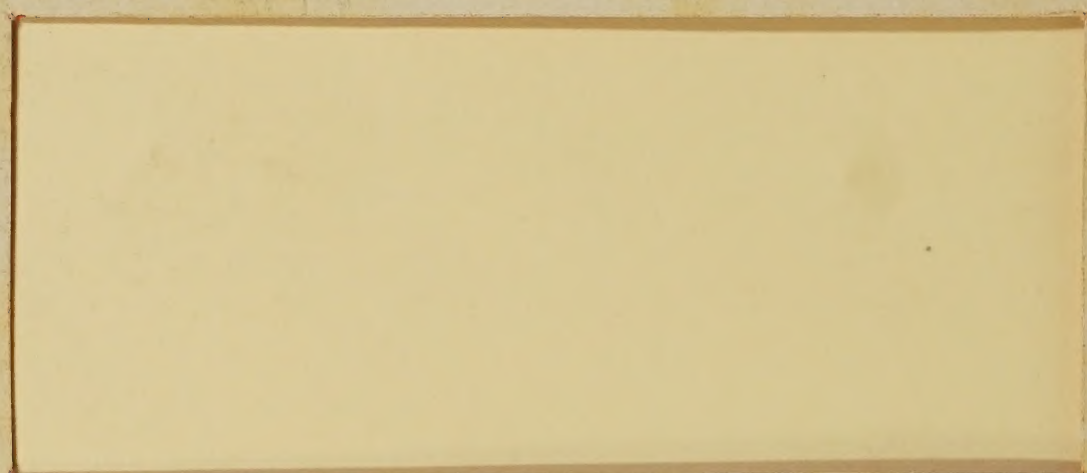

TO BE SOLD AT AUCTION AT

PARKER FARMS

Harrisburg, Illinois, Friday, June 3, 1938

Hal Longley, Sale Manager, 37 Island Avenue, Aurora, Illinois

A part of the breeding herd at Sunset Farm, owned by Otis A. Carter & Son, Eldorado, Illinois.

An Invitation

WE cordially invite you to attend our First Auction Sale. We are not pioneering Shorthorn cattle in Southern Illinois, because the early maturing and easy feeding qualities of the Reds, Whites and Roans long ago brought farmers and stockmen to recognize that Shorthorns are the most profitable cattle for this great farming section. However, by establishing these four strong herds, we have tried to take the leadership in creating a suitable source of supply in this section for choice seed stock. All four herds were founded on top females selected from the best known herds and only stock bulls of the highest quality have been used. This is our first auction sale and we have drawn deeply from our herds to provide cattle that will prove profitable to their new owners. We cordially invite you to be present.

Chas. V. Parker,
Otis A. Carter,
John M. Karns
Paul Halbersleben

Guarantee

(Endorsed by American Shorthorn Breeders' Association)

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.

3. Cows with own calves by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchaser, but at their risk of loss or injury.

7. TERMS: Cash.

The above guarantee and terms constitute a contract between the buyer and seller.

We will not be responsible for accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

HEALTH: These herds are under Federal Supervision for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Auctioneers—A. W. Thompson and J. E. Halsey.

CONCERNING THE MEN WHO ARE BEHIND THIS SALE—It is always interesting to know something about the background and reliability of the men behind an auction sale.

Chas. V. Parker has been one of the leading business men in Harrisburg, Illinois during his entire lifetime. His land holdings in Southern Illinois total nearly 15,000 acres. Otis A. Carter owns and operates the largest hatchery in Southern Illinois, located at Eldorado, Illinois. His farms, totalling approximately 400 acres, are also located at Eldorado. John M. Karns is a prominent attorney in East St. Louis and his farm is located at Eldorado, Ill. Paul Halbersleben, a resident of Harrisburg, Illinois is superintendent of the Sahara Coal mines and his farm is located at Eldorado.

A NATURAL CATTLE SECTION—On my occasional visits to Southern Illinois, I have always been impressed with the possibilities of this section as a natural cattle country. When Mother Nature divided up her resources, she gave to this section those things that can be utilized with greatest profit by men who maintain producing herds of livestock. Moreover, she left a type of land that will constantly enhance in value through the benefits to be obtained from live stock but which will constantly go backward without it. The most abundant stands of alfalfa, sweet clover and lespedeza I have seen anywhere this Spring were in Southern Illinois and cheap pasture is a distinct asset. Although the cattle in this sale are of the type and ancestry to attract buyers from other sections it is my hope that most of them will be purchased by farmers of Southern Illinois for the foundation of new herds. Those who buy these cattle at today's prevailing prices will reap rich rewards. I want to take this opportunity to compliment the four fine men who are behind this sale for their willingness to establish this source of supply of excellent Shorthorn seed stock.—Hal Longley of The Shorthorn World.

BRAWITH BOY (imp.)—The only Scottish Highland supreme champion that ever came to America. Now in service in the herd of Jas. Douglas & Sons. He was shown to the grand championship at the Canadian National, Toronto Royal and London shows in 1933. He is the sire of the two herd bulls in service in the herd of Otis A. Carter & Son.
